

# SUMMER FUN DAY AT ADVENTURE PARK & SEQUOIA SPRINGS

**Indoor arcade games + outdoor water park = Family Fun Day!**

When family time intersects with play time, it's a good day! So gather the family, and friends that are like family, for a day at **Visalia Adventure Park**. Here are some of our recommendations for maximizing your fun for a day that everyone will enjoy.

Spoiler alert! You may get wet on the bumper boats and the Splash Park. But on a hot, summer day isn't that exactly what you want? 😊

## 1 SEQUOIA SPRINGS WATER SLIDES

This is the newest attraction at Adventure Park that opened this season. With 80 water-play features on the structure itself as well as another 45 water features on the ground you are sure to have a splash! If that doesn't get you wet, the 900-Gallon and the 350-Gallon buckets of water will! No matter where you are you're bound to get wet!

**Insider tip:** Reserve a **CABANA** for a resort-style spot to lounge - including sofas and table for a great place to hang out. There is also the **LODGE** for an indoor lounge area that has full views of the slides (and air-conditioning!)

## 2 FAMILY GO KARTS

When you hop on one of the **GoKarts**, get ready to experience the thrill of open-air driving. The body-free design of the Go Karts makes the drive feel faster. With simple loading and unloading procedures drivers and passengers are able to get on and driving quickly. The best part is that kids 54 inches and taller can drive!

## 3 BUMPER BOATS & MINI GOLF

Work on your putting skills with a challenging game of **Miniature Golf** on the best 18-hole miniature golf course in the Central Valley. The theme is Sequoia National Park, our local treasure. Or climb aboard one of our **BumperBoats**, it doesn't take long for the splashing, bumping, and squirting to begin.

## 4 ARCADE GAMES & LASER MAZE

Inside, the arcade floor is packed with the industry's newest high-tech games. Plus you'll win points to redeem for prizes. The kids love that! After an afternoon or evening of family time playing arcade games, your kiddos will go home with a prize they selected from the well-stocked redemption center.

## 5 WHAT TO EAT

So, we will let you in on a little secret. **Kritters Funhouse Pizza** is one of the best in Visalia! Their house-made San Francisco style pizza is made and rolled fresh from their own recipe using locally sourced ingredients. And their chicken wings are pretty good too! Yum and yum.

## 6 WHERE TO STAY

Staying late at the Park is no problem when you can just walk back to your hotel. **La Quinta Inn** and the **Holiday Inn Express** are both great family friendly choices and right next door.
