THE HOW-TO'S OF A FUN WEEKEND

FRIDAY

STAY

There are lots of hotel options to choose from including the Wyndham Hotel, next to Plaza Park, a great place for a little rivalry football! The Wyndham makes a great home base for a weekend with the guys!

EAT

Get the weekend started with a delicious and casual Mediterranean meal and a great local craft beer at Pita Kabob Gastropub in downtown.

HOPS

While not a formal Ale Trail, downtown is home to several brew pubs worth exploring like BarrelHouse, Brewbakers. And all within walking distance from one another.

SATURDAY

GAME ON!

Valley Oaks Golf Course is ready for you! With three classic 9-hole layouts, two traditional and one links style, you might not stop playing! Carts are available to rent.

DINE

Choose Jack & Charlie's for dinner. This restaurant feels like a speak easy and is housed in the old jail. Imagine the Dalton Brothers escaping! Talk about the ultimate guys trip!

CIGAR LOUNGE

Sequoia Cigar Company has a large selection of cigars as well as a lounge to enjoy them in.

ENTERTAINMENT

The Cellar Door on Main Street is a great place for live music. It showcases an eclectic mix of music and entertainment.

SUNDAY

FLOAT ON A BOAT

Lake Kaweah is a great place to recharge. Rent a patio boat (some hold up to 18 people!) and enjoy the sunshine. Fish off the side, swim in the cool water and just hang with the guys—all with a view of the Sierra Nevada mountains!

Or take in a day-game of the Visalia Rawhide baseball at Rec Park, home of America's Largest Cowbell!

PIZZA

It wouldn't be a guys weekend without pizza. But not just any pizza—how about a 'Thai Pie' or 'The Yeti'? And with corn hole and other games, the patio is the place to be.
